14BOTTLES   **SINGLE**ZONE   **TOUCH**CONTROL   **LED**LIGHT   **SUPER**SILENT

Product details

Storage space on 3 wooden shelves
With 43L of usable capacity, space for up to 14 bottles.

A strong singlezone
Exact setting of the temperature between 5° and 20°C.

Modern touch control
The display on the outside of the door makes it easy to operate the wine cooler.

Optimal storage
The wine cooler is equipped with extra-sturdy wooden shelves, which are especially user-friendly thanks to the pull-out function.

High quality design
Thanks to stainless steel frame and handle a real eye-catcher!

SuperSilent
With only 38 dB(A) the wine can be cooled in silence.

Longer durability
Tinted glass and triple glazing protect the wine and absorb some of the UV rays to prevent chemical reactions.
