	- Net volume (in l): 250
	- Net volume fridge compartment (in l): 180
	- Net volume freezer compartment (in l): 70
	- Climatic class: SN-ST
	- Bulb type: LED
	- Stars freezer compartment: 4
	- Storage time in case of a power outage (in hours): 9
	- Reversible door hinge: no
	- Noise generation (in dB): 41

Product details

Good for the environment and your wallet: this freezer-fridge combination not only looks good, it also consumes little electricity. In this way you can not only protect your household budget, but also the environment.

Never defrost again: Precise air circulation ensures optimum humidity regulation inside the freezer compartment – making freezer burn a thing of the past!

Faster cooling: the electronic control with "fast cooling" function is ideal for drinks or desserts.

Bright, durable and energy-saving: LED light in your refrigerator ensures the best visibility paired with low power consumption. A perfect combination.

Long-lasting freshness for fruit, vegetables, meat and cold cuts: the VEGGIBOX creates the perfect conditions for fruit and vegetables with high humidity (90%) and temperatures around 5° C. The humidity can also be indivi-
